

Massage Services

*Relax. Rejuvenate. All in comfort. Unwind with professional massage therapy brought directly to you.
No stress, no travel—just pure relaxation in the privacy of your own room.*

THERAPEUTIC | *Most Popular*

A combination of Swedish massage with slight firm pressure and can include a little bit of deep tissue massage in one given area (usually the upper neck and shoulders or the lower back.)

60min/210. 90min/265. 120min/325.

DEEP TISSUE

Perfect for those with chronic aching pains. Massage is performed with elbows, thumbs, forearms, and trigger point work with some myofascial techniques.

60min/230. 90min/285. 120min/345.

PRENATAL

For the mom-to-be to ease aches and pains. Features the use of properly positioned pillows with light to firm pressure. Must be in the late second or third trimester or be having monthly prenatal massages. The use of heat and certain aromatherapy is contraindicated.

60min/230.

REFLEXOLOGY

Relax those tired, aching feet with reflexology trigger point work on the bottom of your feet.

60min/230.

WARM BASALT STONE MASSAGE

Basalt lava stones are heated and can retain their heat for long periods of time. Used in conjunction with massage therapy effleurage – adjusting pressure accordingly.

60min/240. 90min/295.
